## **ASSESS YOUR CHILD(REN)'S HEALTH.**

In accordance with Public Health guidelines, individuals exhibiting COVID-19 symptoms must stay home and contact the COVID-19 info-line at 1-877-644-4545 and follow instructions.

Please contact the school administration immediately to inform them.

That is, if your child has fever/chills, new or worsening cough, difficulty breathing, a sudden loss of sense of smell or taste without nasal congestion, new onset headache, new onset pain (muscular, chest, abdomen, joints), new intense fatigue, new severe loss of appetite, sore throat, vomiting or diarrhea, your child must stay home.

If your child has any symptoms, please have them stay home, isolate and contact 1-877- 644-4545 or 811 to determine if testing is needed for COVID-19 and when they can return to school. Please also contact the school. They need to be symptom free for 48 hours (fever) and 24 hours (other symptoms) prior to returning to school. We count on your vigilance as this is the most efficient way to prevent the spread of COVID-19.
